

## Rätt dokument från din gymnasieutbildning

När du ansöker om en bedömning behöver du skicka in dokument som styrker att du har avslutat din gymnasieutbildning och som visar vilka kurser/ämnen som har ingått i utbildningen, alltså examensdokument och ämnesförteckning. Dessa dokument kan heta lite olika beroende på land och utbildningssystem.

Här har vi samlat ihop vad de vanligaste dokumenten heter från respektive land. Vi bedömer andra avslutade gymnasieutbildningar också, men detta är namnet på de vanligaste.

Dokumentens namn står på det språk som de är utfärdade på, vissa även på engelska.

## Required documents from your upper secondary education

When applying for an evaluation of your upper secondary education, you need to submit certificate/s that show the qualification awarded and what subjects/courses that you have studied. The names of these documents vary between countries.

To make it easier for you to submit the correct documents, we have put together the following list of the name of the most common documents that we require for evaluation. Please note that we evaluate other qualifications and documents that are not listed below – you can always contact us for more information.

The names of the documents are written in the language in which they are issued, some also in English.
