

Greener events, conferences, meetings

Nele Fassnacht

**DG SCIC, European
Commission**

Greener Events in 7 steps – Let's go for a walk

-1

Take a step back – do you really need a physical meeting?

1

Hosting it green - venue

1. VENUE

- Book a venue with good public transport links
- Ask about energy efficiency and waste sorting

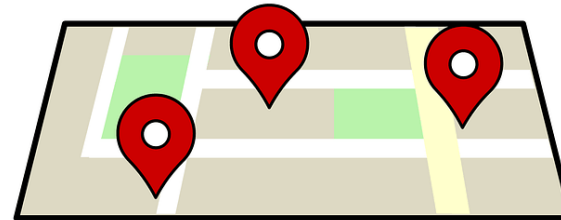

2

Get some rest – Green accommodation

2. Accomodation

- Close to the conference venue

- With good public transport links

- Certified environmentally friendly (EU ecolabel, Green key, EMAS, ISO 14001)

3

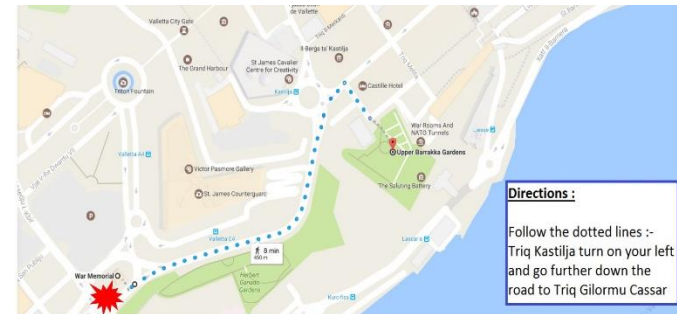

On the move – transport and travel

3. TRAVEL ARRANGEMENTS

- Encourage travel by train, bus, carpooling

- Make it easy for people to walk, cycle or take public transport

4

**Do we really need all this stuff? –
lean and green on material**

4. CONFERENCE MATERIAL

5

Eat your greens - catering

5. CATERING

5. CATERING

6

**Showing the way –
organise your signposting**

6. SIGNPOSTING

7

**Talk the walk – communicate
about what you do**

7. COMMUNICATION

Greener Events in 7 steps – What have you learnt?

Slido word cloud

The checklist

Thank you!

DG SCIC conference organisation –
Making conferences easier and better.

Let's make our conferences greener. Every action counts.
