Frågor till Spotlight tool självvärdering

Implementation of Processes – Organisational aspects. Ersätter frågorna 2.1-2.4, som har fokus på antagning

Key question

2.a Regarding recognition of shorter learning periods/(transfer) of credits/ – is your department responsible for the whole process: application, evaluation and decision, including both recognition of workload (e.g. ECTS) and learning outcomes?

2.b Does your department arrange organized student exchange with learning agreements, and if yes, is your institution responsible for the whole process and recognition decision?

2.c Does your department arrange organized student exchange within a European University organization? If yes, does this involve any specific recognition procedures within (or outside of) your department?

Sub-question 2.a

i. Which decisions are taken within your department, and which outside?
ii. If there is a division of remits, through what mechanisms does your department ensure that this division contributes to the consistency, fairness and transparency of the conducted procedures?

Relevant section in EAR-HEI manual

Part VI Credit mobility in context of student exchange

(UHRs översättning av EAR-HEI 2a utgåvan 2018 - Del VI, kapitel 23 Erkännande av studieperioder utomlands – oförändrad text)

Part II Credits, grades, credit accumulation and credit transfer

(UHRs översättning av EAR-HEI 2a utgåvan 2018 -Del II Poäng, betyg ackumulering och tillgodoräknande)
